ASSESSORS OFFICE ANNUAL REPORT 2016-2017

The Office of the Assessor is responsible for discovering, listing and valuing taxable and exempt real and personal property within the corporate limits of the Town of Chaplin. We appraise real estate based on the market value and maintain a “property record card” on every parcel. State statutes govern almost every function and responsibility of the Assessor’s Office and requires us to perform revaluations every five years. Chaplin completed a town-wide revaluation for the October 1, 2013 Grand List.

I am also responsible for assessing business Personal Property, registered and unregistered Motor Vehicles. Pursuant to State Statutes, motor vehicles are valued NOT based on their market value, but solely 100% of the average book value.

The 2016 Grand List indicates 1239 real property accounts, 254 personal property accounts, and 2,643 registered motor vehicles.

It is my responsibility to update the property record cards when changes occur. The Assessor must inspect and value all newly created lots and newly constructed homes, as well as any changes, improvements or additions to existing properties.

Our office also implements exemption programs for the blind, disabled, elderly, veterans who served during wartime, and disabled veterans. The elderly and disabled programs are income qualified. For more information on exemption programs you may contact me, Chandler Rose, Assessor at (860) 455-0073x314. Office hours are Tuesday’s from 5:00 p.m. to 7:00 p.m. or by appointment.

The 2016 Net Grand List increased 16.6% and compares as follows:

	<u>2015 Grand List</u>	<u>2016 Grand List</u>
Real Property:	125,140,670	125,244,870
Motor Vehicle:	17,349,690	16,598,390
Personal Property:	<u>19,265,840</u>	<u>46,828,000</u>
Net Grand List:	161,756,200	188,671,260

BOARD OF FINANCE Annual Report 2016-2017

The Chaplin Board of Finance operates under the authority of Connecticut General Statutes Chapter 106, Section 7-340 to 7-349. The Board meets at the Chaplin Town Hall the second Monday of the month unless Monday is a holiday, at which time the meeting is held on the following Tuesday, with additional special meetings held as necessary. Members of the public are welcome to attend and provide input at board meetings. This is a six (6) member board with three alternate members; officers are a Chair, Vice Chair, and Secretary. In 2016-2017, we had six members and one alternate member. A recording secretary is hired to take minutes, which are filed with the Town Clerk.

The Chaplin Board of Finance oversees Town finances, compiles annual budget requests, holds a Public Hearing on these requests, and formally presents a budget at the Annual Town Budget Meeting in May. Other duties include setting the mill rate, appointing an auditor, and compiling and publishing the Town's Annual Report.

This report is divided into three parts: (1) an overview of Chaplin's budgetary performance; (2) a brief statement of the Board of Finance's operations; and (3) comments on the Town's audit results.

The Town of Chaplin's General Fund Audited Budgetary Basis Performance

For FY 2016-17, the Board of Finance approved a budget of \$7,920,841 with a mill rate of 35.05, with no increase in mill rate from FY 2015-16. This budget was approved at a town referendum on May 17, 2016. Additional appropriations were made throughout the year as needed.

The Town of Chaplin expended \$7,655,587 with the following breakdown:

Town of Chaplin FY 2016-2017 Expenditures	
General Government	\$1,747,052
Chaplin Elementary School	\$3,647,266
RSD 11 Parish Hill MS/HS	\$2,261,269
Total	\$7,655,587

The town received a total of \$8,060,851 with the following breakdown:

Town of Chaplin FY 2016-2017 Revenues	
Property Taxes	\$5,702,017
Reimbursements in lieu of taxes	\$201,461
State & Fed. Funding for Operations	\$199,690
State Educational Funding	\$1,877,020
Receipts for Town Services	\$49,547
Town Clerk Revenues	\$12,589
Miscellaneous Revenues	\$18,527
Total	\$8,060,851

The budgetary surplus between Revenues and Expenditures (\$405,264) has been added to the Town's Fund Balance (Reserve Fund). The tax collection rate was 98.1% (as audited) of the current year tax levy.

The Board of Finance's Operations

Board of Finance Financial Statement	
Approved Budget	\$22,761

Town of Chaplin Audit Results

Per §4230 and §4236 of Connecticut General Statutes, The Town of Chaplin as a recipient of state funds must complete a town audit. The audit for FY 2016-17 was performed by Michaud

Accavallo Woodbridge & Cusano, LLC and contained with two significant remarks, summarized as:

1. Lack of written procedures for handling and approving expenditures;
2. Un-budgeted expenditures from the Board of Education.

A working group has been established by the Board of Finance, comprising members of the Board of Finance, the Board of Education, the Board of Selectmen, and others, to create written procedures regarding procurement and approval. The Board of Finance expects that having such procedures recorded and in practice will reduce the likelihood of unbudgeted expenditures in the future.

Respectfully Submitted,

Richard G Weingart, Chairman

Other Board members:

Vice Chairman: Caesar Beltran Secretary: Jean Lambert

Members: Doug Dubitsky
Linkesh Diwan
Mark Johnson

Alternate Members: Matt Foster

BUILDING OFFICIAL Annual Report 2016-2017

It has been my pleasure to serve the citizens of the Town of Chaplin since 1984 starting as zoning enforcement officer and then assistant building official to Earl Belek. I feel the town is fortunate to have the professional staffing it has with the Zoning Enforcement Officer and Wetland Agent.

The following permits were issued by the building department:

Dwellings	2	Heating	8	Electrical	12
Wood Stoves	2	Pellet Stoves	1	Propane	3
Pools	0	Roofing	12	Renovations	10
Sheds	1	Decks	3	Garages	0

Photovoltaic	10	Wood Furnace	0	Demolition	0
FP insert	0	Additions	2	Barns	2
Enclosed porches	0	Chimneys	0	Generators	0
Antennas	0	Plumbing	1	A/C	2

The Building Official has regular scheduled office hours from 5 to 7pm on Tuesday evenings. He can also be reached on his cell phone for questions or inspection requests. The number is 860-428-4118.

The Building Official is responsible to enforce the Connecticut Building Code in accordance with Connecticut General Statute 29-260. He also provides a monthly report to the U.S. Census Bureau, a quarterly report to the state Building Official Educational Training Unit along with the education fees collected with the building permit.

Sincerely,

Terry Bellman
Building Official

Chaplin Elementary School

Annual Report 2016-2017

Chaplin Elementary School serves students in grades PreK – 6. The school has approximately 160 students enrolled. There is an atmosphere of community that surrounds Chaplin Elementary School. It's one of the first comments visitors make when visiting our school. With the continued support from the Chaplin community, the ongoing dedication of our staff, and support from the Board of Finance and Board of Education, Chaplin Elementary School continues to be a great place for children to learn and grow.

Each child's individual educational goals are the focus of the work done at CES. We strive to maximize the time during the school day to focus on the development of the skills and knowledge vital for success in the twenty-first century. Each new day brings with it the opportunity for students to work closely with their classroom and intervention teachers. In addition, if a student has mastered a skill and is ready to build deeper understanding, the teachers plan activities suited to address moving students forward in their learning. Classroom teachers collaborate weekly with academic support specialists to design appropriate individualized instruction for students in math and language arts.

Chaplin Elementary School continues to move forward with implementation of the Connecticut Core Standards (CCS). These educational standards were drafted with the collaboration of experts and teachers from across the country with a focus on preparing students with the enduring skills needed to be successful in college and career. They have been designed as a clear set of expectations that build in complexity as students progress from one grade to the next preparing all students to be successful.

At CES, teachers have been working for the past few years to develop and implement a core standards aligned curriculum in language arts and math. Adjustments to our daily schedule have allowed teachers to better utilize their class time to fully address the demands of this new curriculum.

The state of Connecticut is administering a standardized test to students in grades 3-8 and 11. The Smarter Balanced Assessment Consortium (SBAC) has been administered each spring in English/Language arts (ELA) and math to measure students' progression in mastering the grade level skills of the CCS. This assessment measures critical thinking skills and asks students to demonstrate their proficiency through research, writing and solving problems. This assessment has been designed to monitor the progress students are making and allows teachers to focus on the skills of the CCS rather than "teaching to a test".

In addition to state assessments and standards, educators across the state are participating in a teacher evaluation system (T-Eval). Every teacher at Chaplin Elementary School has set individual goals based on improving their professional practice and promoting student growth. During the school year, in-class observations have been conducted for every teacher. The observation was then followed by actionable feedback focused on growth and improvement. This State Department of Education evaluation system was developed based on statewide data collection noting that many professional educators did not feel they were adequately supervised or supported in the classroom.

The teacher evaluation system was designed as a means of support for all teachers and to foster improvement and growth for the profession.

The Chaplin Elementary School PTO continues to be very supportive of the various programs and activities held for the students. Their ongoing support allows the school to provide offerings that otherwise would not be available. The fundraising efforts of the PTO help with costs for field trips, after school activities, and purchasing equipment and supplies. The PTO committed thousands of dollars to various student activities at CES during the past school year.

Members of the Chaplin community are encouraged to visit our school to see firsthand all the wonderful learning that is taking place in our classrooms each and every day. We always welcome opportunities to collaborate with the community, home and school in order to work together to make Chaplin Elementary School the best school in northeastern Connecticut.

Chaplin Volunteer Fire Department

Annual Report

Fiscal Year 2016- 2017

The Chaplin Volunteer Fire Department had a busy year with 101 Fire calls and 153 medical calls. Our membership has remained steady. Our bigger purchases included a Kubota UTV with accessories , and a trailer to haul it. This will be very instrumental extricating patients from in the woods or to transport firefighters in and out of the woods fighting forest fires. This will be a great resource to have in the Dept. The CVFD also started responding at a R1 level which means our EMT staff can perform up to their level of training.

The CVFD assisted the Towns Trunk or Treat. The Christmas Tree Lighting was a huge success. We held our annual Golf Tournament fund raiser and it was our most successful. We were able to give a \$ 1000.00 scholarship to a graduating students from PHHS studying for a medical profession. We gave a 100.00 scholarship to the most successful graduating student from the Chaplin Elementary School. We also gave 250.00 to our local food pantry.

Overall, the CVFD had a safe and successful year.

Sincerely,

Joe Pinto, Chief

Fire Marshal Annual Report 2016-2017

The fire marshal's office is required by Connecticut general statute 29 305 conduct inspections of all commercial buildings, places of assembly and multifamily dwellings with three or more living units. Fire marshals are also required to issue blasting permits and conducting inspections at all facilities that serve alcohol for annual liquor license renewals and conduct plan reviews for construction or remodeling of commercial facilities. Fire marshals are also required to be notified of and investigate all fires and explosions within the jurisdiction.

This past fiscal year the fire Marshal conducted eight routine inspections, approved three liquor license renewals and investigated three small loss fires. The fire marshal was also required to attend a court hearing to address a landlord tenant dispute.

Budget appropriations cover the annual salary and training requirements for the fire Marshal and deputies.

CHAPLIN HISTORIC DISTRICT COMMISSION

Annual Report 2016-2017

Established in 1974, the Chaplin Historic District Commission oversees architectural changes to the properties and their structures situated in the District. Properties are located on Chaplin St., Phoenixville Rd. and Tower Hill Rd. the oldest of which dates to c. 1800.

Historic District residents planning changes to their buildings or grounds are urged to contact the Chairman of the Commission with any questions. The HDC regulations and a Q & A section are available on the Town website.

During the 2016-2017 reporting period, the HDC held three regular business meetings, three special meetings and held six public hearings.

Our regular members were Paul Peifer, Jean Givens, Warren Church, Kitty LeShay and Diane Cox. Cathy Smith, Carl Lindquist and Paul Siege served as Alternate members.

At the annual HDC meeting in September, Paul Peifer was elected Chairman, Warren Church was elected Vice-Chairman and Diane Cox was elected Secretary to serve one-year terms as officers. The regular meeting schedule was also set. The Commission approved a budget of \$625 for FY 2017-2018 at our February meeting.

HDC regular meetings are scheduled four times a year. Special meetings may be called as necessary. Meetings are held in the Chaplin Library conference room. Regular business meetings follow public hearings, dates and times for which are published in the Willimantic Chronicle and posted at the Chaplin Town Hall.

Chaplin Inland Wetlands and Watercourses Commission Annual Report 2016-2017

The Inland Wetlands and Watercourses Commission (IWWC) is charged by the Connecticut General Statutes, section 22a-36 through 22a-45 to regulate in or near wetlands and/or watercourses in the Town of Chaplin for the purposes of protecting Chaplin's natural resources. The Commission discharges this obligation by provisions set forth in the Town of Chaplin Inland Wetlands and Watercourses regulations. These regulations require all land owners and their agents who propose any activity within 100' of a wetland or watercourse or within 200' of the high water mark of the Natchaug River to contact the Wetlands agent, Joe Theroux at 455-0073, for a determination on whether this activity should go before the Commission for a permit. These activities may include, but not be limited to, cutting trees, removal or depositing of material and/or soil, disturbance of the natural drainage, erection of buildings and grading of soil.

Library Board of Trustees Annual Report 2016-2017

The Chaplin Public Library provides the community with a variety of services, materials, resources, and programs. Materials include books, magazines, DVDs, and audiobooks. The library also provides free access to ebooks and audiobooks available through the digital lending library, Overdrive. In addition, free or discount passes to aquariums, state parks, and museums, such as the Atheneum and the CT Science Center, are available to all library patrons. Patrons have access to three public computers, a printer, faxing, and Wi-Fi, as well as an early literacy station for children with educational programs and games. Programs for all ages are scheduled throughout the year, and the meeting room is also available for use by Chaplin residents. Under the Board of Trustees' review and direction, the Library Director serves as the administrative officer of the library.

In 2016-2017, the library continued to provide quality programming for patrons of all ages. The Wednesday Preschool Playgroup, which provides a story, related craft, and playtime for toddlers, ran every week during the school year, and the annual Summer Reading Program provided children with reading activities and events throughout the summer. For adults patrons, this year the library participated in the CT Author Trail and Quiet Corner Reads, a program where libraries in northeastern CT all read the same book and hold related events. Many patrons participated, and the library has become an official member and will be hosting events in 2018. The library also ran events during the holidays and school breaks to promote library use by families. Popular programs included Love Your Library, Horizon Wings (hawk and eagle rehab), and Mr. Magic. In the spring, the Chaplin Elementary preschool visited the library to hear a story, get a library card, and check out their first book. Many new library cards were processed this year.

There were a few equipment purchases and building repairs this year. The children's literacy computer needed to be replaced, and the hot water heater for the building also needed replacement. Along with the Senior Center, the building was also power washed and painted in the fall of 2016. The library had multiple staff changes this fiscal year. In July of 2016 the Assistant Librarian Kitty LeShay resigned, and in November the Library Director Jessica Jahnke resigned. Both replacements took several months to fill. Anjanette Hill was hired as the assistant in November, only a few weeks before Jessica resigned. Anjanette Hill and Sandra Horning (the Assistant Librarian II) operated the library during the search for a new director. The Library Board of Trustees created a search committee with Victor Boomer, Leslie Ricklin, and Eunice Edelman. In March Sandra Horning was hired as the new director. Despite the repairs and changes in staff, the library continued providing services and came in under budget by \$1,172.64. A brief financial statement is below.

CHAPLIN PLANNING & ZONING COMMISSION ANNUAL REPORT FOR 2016-2017 FISCAL YEAR

The following is the Annual Report for the Town of Chaplin Planning and Zoning Commission, for business conducted during the 2016-2017 Fiscal Year. The information provided herein was tabulated by review of all meeting agendas, minutes, applications, permits, reports and records of business conducted by the Chaplin Planning and Zoning Commission during the 2016-2017 Fiscal Year (July 1, 2016 through June 30, 2017).

Introduction

The Chaplin Planning & Zoning Commission (PZC) is enabled by the Connecticut General Statutes (CGS), Chapters 124 & 126 and is guided by CGS Section 8, to oversee all aspects of land use, including the regulation, development, conservation and subdivision of land within the limits of the Town of Chaplin, to ensure the continued protection of the health, safety & welfare of Chaplin's residents & businesses. The Commission exercises this authority through the established provisions and procedures set forth in the Chaplin Zoning Regulations, the Chaplin Subdivision Regulations and the Chaplin Zoning Violation Enforcement Ordinance. In addition to the aforementioned regulatory documents, the PZC utilizes the adopted 2010 Chaplin Plan of Conservation & Development (POCD) as a guide for the decision making process of land use applications. The 2010 POCD also identifies several long-term & short-term goals for the PZC and also provides direction how to obtain and/or complete these goals.

Conducted Business

During the 2016-2017 Fiscal Year, The Chaplin Planning & Zoning Commission held eleven (11) regularly scheduled meetings, cancelled one (1) regular meeting, held two (2) special meetings and held four (4) public hearings. The Commission reviewed and/or acted on two (2) site plans, three (3) special permits, two (2) unique zoning permits and two (2) timber harvests. Additionally, the Planning and Zoning Commission conducted four (4) preliminary, pre-application reviews at the request of applicants.

Staff for the Chaplin Planning and Zoning Commission, Mr. Jay Gigliotti, Zoning Enforcement Officer, administratively issued twelve (12) zoning permits for regulated construction activities: three (3) new single family residences, three (3) residential additions, three (3) accessory buildings/ structures and three (3) storage sheds. In addition, Mr. Gigliotti was able to certify the correct installation and construction of two (2) driveway aprons and also two (2) construction/ tracking pad entrances.

Mr. Gigliotti conducted sixty-two (62) inspections related to previously issued zoning permits, twenty-two (22) inspections relating to driveway permits and/or drainage related issues, sixteen (16) on site meetings with applicants, residents and/or property owners, twenty-five (25) inspections for requested zoning compliance and fifty-six (56) inspections/ investigation relating to zoning enforcement in the Fiscal Year 2016- 2017. As Chaplin's Zoning Agent, Mr. Gigliotti additionally is responsible for any "Town Planning" and also provides technical support and assistance for the Chaplin Historic District Commission and the Chaplin Zoning Board of Appeals.

Revisions to Chaplin Zoning Regulations

During the 2016-2017 Fiscal Year, the PZC continued to work on revisions to the Zoning Regulations. The commission has been working with town administration, other boards/ commissions, residents, contractors and other interested parties to identify which revisions should take priority. In the 2016-2017 fiscal year, the Chaplin Planning & Zoning Commission completed their assessment of the revisions began the daunting task of rewriting a significant number of sections and sub-sections in the zoning regulations. A primary revision includes making the entire set of regulations more "agriculture-friendly". Making the regulations easier for the agricultural industry is one of the primary objectives identified in the 2010 Chaplin Plan of Conservation & Development. The POCD offers suggested revisions for a number of sections in the zoning regulations, in addition to agriculture. The commission will continue to work through the regulations and making revisions that are consistent with the 2010 POCD.

Zoning Violation Enforcement Ordinance

The Zoning Enforcement Ordinance has been fully implemented since its adoption in 2012. The PZC has enjoyed continued success in achieving compliance with the zoning regulations utilizing the zoning enforcement ordinance. The PZC has had continued success with the implementation of the enforcement ordinance. During the 2016-2017 Fiscal Year, the PZC was able to achieve compliance on four (4) zoning violations and commenced enforcement on another (6) six cases. Throughout the 2016-2017 F.Y., the ZEO investigated fifty-six (56) potential zoning violations. These zoning enforcement matters frequently relate to signage, construction, illegal business activities, accumulated junk and unregistered motor vehicles.

The Planning & Zoning Commission intends to continue work on the revisions to the zoning regulations, as well as continue to address any outstanding zoning enforcement cases and any new enforcement concerns which may arise.

Jay Gigliotti- Zoning Enforcement / Planning & Zoning Commission Agent

Brief Financial Statement

The Planning and Zoning Commission has an operation budget of approx. \$24,000. facilitating the employment of one (1) part-time zoning enforcement officer and a meeting recording clerk. Aside from the clerk and the zoning agent's salary, the planning and zoning commission budget has line items for advertising, postage, mileage and office supplies.

Approved Budget	\$23,841.25
Additional Appropriations	\$899.30
Actual Expenditures	\$24,740.55

In the 2016-2017 Fiscal year, the Chaplin Planning & Zoning exceeded the approved budget by \$899.30. The additional expenditures were the direct result of a series of unanticipated special permit applications, which require additional advertising. In accordance with the Connecticut General Statutes, a special permit application requires essentially three (3) legal notices to be published in the newspaper. The additional expenditures are related to these unforeseen and unanticipated legal notices for the special permit applications.

Registrars of Voters

The Office of the Registrar of Voters in the State of Connecticut is a position governed by the Connecticut General Statutes and financially supported by the municipality in which the registrar of voters serves. Registrars of Voters work closely with the Office of the Secretary of State developing methods and procedures to ensure the voting rights of citizens and administer all elections based on current election laws (i.e. Federal, State, Municipal, Primaries, and Referenda). It is the responsibility of the Registrar of Voters of both parties to ensure fair and equitable implementation of all laws.

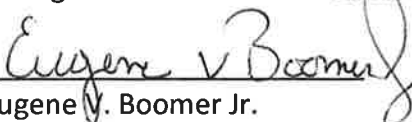

Duties of the Registrars include:

- Receive and process all voter registration applications
- Keep voter registry lists current
- Conduct canvasses
- Schedule and conduct registration sessions
- Prepare for and conduct elections.

Between July 1, 2016 and June 30, 2017, the registrars made changes to the Chaplin registry list included 235 additions, 78 removals and 59 changes of name, address or party designations. As part of the required annual canvas of voters the registrars canvassed 120 voters based on lists of possible address changes provided by the State of Connecticut and a review of voter records for those not voting in a 4 year interval. During the fiscal year 2016-17 the registrars conducted 3 elections including two budget referendums and the General November Presidential Election in 2016. On election day, the assistant registrars enrolled 37 new voters as a part of the Connecticut Election Day Registration process.

Election	# Names Active on Voter List	# Names Checked as Voting	Turnout Percent
Presidential Election 11/08/2016	1,421	1,123	80%
Town Annual Budget Referendum, 5/2/2017	1,478	118	7.9%
District 11 Annual Budget Referendum. 6/16/2017	1,481	170	11.5%

The Republican registrar, Eugene Boomer, completed the required sequence of eight courses taught by the University of Connecticut and passed the final comprehensive exam to become a certified Registrar of Voters. The Democratic Registrar of Voters, Bruce Raymond, was newly appointed in January of 2017 and is currently completing the required courses and will take the certification exam in 2018. Both registrars and a deputy registrar, Stacy Foster, and Helen Weingart all were re-certified as election Moderators for two years.

CHAPLIN SENIOR CENTER Annual Report 2016-2017

The Senior Center Director plans, organizes and coordinates a multi-service program designed to promote psychological, educational, cultural, physical and social needs of Chaplin's Senior Citizens.

The Center has had a very successful year. Our membership has grown to more than 300 seniors. The days are full with many classes and programs. In addition to the many social activities, Pickleball has become very popular as well as Wii bowling. We host many bowling tournaments and visit area centers to compete. A favorite amongst the seniors are the Wednesday lunches. We're very fortunate to have Bob Grindle as head of the kitchen and Dawn Gilbert as his assistant. Together they prepare delicious made from scratch meals which often includes homemade bread!

In the months of May and June we incurred unexpected expenses. The hot water heater had to be replaced and repairs were made to the kitchen sanitizer. These costs are reflected in the financial statement below.

CHAPLIN TAX COLLECTORS OFFICE

Annual Report 2016-2017

Location: Windham Town Hall- 979 Main Street- Willimantic CT 06226 - phone number 860-465-3037

We are open 42 hours a week and have 5 staff available to assist residents. Our office hours are Monday through Wednesday 8am-5pm and Thursday 8am-7:30pm and Friday 8am-noon. There is no longer a tax office located in the Chaplin.

Mailing: Chaplin Tax Collector-PO BOX 944 Willimantic CT 06226

Mission & Purpose

The Chaplin & Windham Revenue Collection Department is here to promote efficient, effective and equitable municipal tax collections for all of our customers. Our office must comply with state law and local ordinances through education and training. We must monitor legislation regarding municipal tax collection and inform our taxpayers of such.

*Municipal Tax Assessors and Tax Collectors are bound by the Connecticut General State Statutes. The statutes that apply to tax assessing and collecting can be found in Volume 4, section 12 of the State Statutes.

*The Chaplin Tax Office is responsible for generating, mailing, and balancing approximately 4067 tax bills which encompass 1121 real estate accounts, 246 personal property accounts and 2960 motor vehicle accounts. The total adjusted levy on the 10-1-15 grand list was \$5,711,329.29.

Goals & Objectives:

- *Continuously developing office policy & procedures to enhance the collection process and audit trail.
- * Maintain cross training for all staff.
- * Promote efficient, friendly and equitable customer service.

Accomplishments:

* The collection rate on the current 2015 GL for fiscal year 16/17 ended in a solid 98.4%. I have included the year to date FY 16/17 finance report for your viewing.

*The staff in our department continues working with our customers in both Towns prior to sending delinquent accounts out to the collection agency. Unfortunately this is a necessary procedure to maintain a high collection rate....which is fair and equitable for all taxpayers. The bottom collection rate is very important to every single Town in Connecticut.

We are open 42 hours a week and have 5 staff available to assist residents. Our office hours are Monday through Wednesday 8am-5pm and Thursday 8am-7:30pm and Friday 8am-noon. There is no longer a tax office located in the Chaplin.

*Established full audit trail specifically for Chaplin records that include separate checking accounts for deposits as well as separate computer, safe and cash drawer etc.

*For Chaplin taxpayer's convenience we schedule 2 sessions a year (July and January) at the Chaplin senior center to collect taxes from anyone that is interested in this service. Or visit us on line at chaplinct.org - click on Town Hall, click on Tax Collector and the link is right there to pay your bills on line.

*Completed the implementation for credit/debit cards received at the counter and over the phone for the convenience of all our customers.

*The tax office is PCI DSS Merchant Compliance certified which included the development of rigid procedures and security measures for all credit/debit card collections.

Sincerely,
Gay St. Louis
Tax Collector

Office of the Town Clerk Annual Report 2016-2017

The Town Clerk is charged with serving the Town on a nonpartisan basis and has an array of responsibilities. Included in these responsibilities are keeping land records, survey maps, military discharge records, trade name certificates, posting agenda and minutes from the various board and commission meetings, maintaining committee membership, terms and meeting dates, applying for preservation grants to maintain land records, preparing for state and municipal elections, primaries and referenda and issuing absentee ballots, receiving campaign finance filings, issuing dog licenses, liquor permits, justice of the peace certificates, notary public renewals and complying with Freedom of Information requests.

During the fiscal year of July 1, 2016 to June 30, 2017 the office of the Town Clerk recorded 386 land records. The total income generated from recording these documents was \$46,737.44. Of these land records, 44 were property transfers which resulted in \$7,594,276.00 in real property sold in Chaplin. Most of the recorded land records were in the form of warranty deeds, quitclaim deeds, mortgages, mortgage assignments and mortgage releases. The Clerk's Office also issued 180 dog licenses.

Approved Budget	\$52,462.19
Additional Appropriations	\$00.00
Actual Expenditure	\$49,689.68

It has been a pleasure to serve the citizens of Chaplin and I look forward to the coming year!

Tree Warden Annual Report 2016-2017

During the 2016-2017 fiscal year the Tree Warden administered two tree risk assessments of all trees along town roadways, parks and grounds. Several trees were posted for removal as well as several trees were noted to be trimmed. Such work was overseen and inspected.

The Tree Warden also worked with Eversource and Asplundh to ensure their vegetation management plan and practices were consistent with the towns needs for safety and utility reliability as well as all work complied with industry standards as it pertains to the Town.

The Tree Warden also attended two days of classes for continuing education in order to retain the license required for the position.

CHAPLIN ZONING BOARD OF APPEALS

Annual Report 2016-2017

The ZBA has the power to hear and decide appeals from decisions of the ZEO and to grant variances from the application of zoning regulations. The variance power is limited to extraordinary situations and must be in harmony with the general purpose and intent of the zoning regulation. Zoning variances run with the land and, once granted, they do not expire when a parcel is sold or transferred.

The 2016 – 2017 Fiscal Year was uneventful. We received no applications and we held one meeting in November to vote for officers, approve our meeting schedule and approve our 2018-2019 FY budget.

At our November meeting, we elected Susan Peifer Chairman, William Jenkins Vice-chairman and Lisa Courcier Secretary. Our other regular members are Rosalie Gifford and Doug Cates. Ann “Kitty” LeShay serves as an alternate along with Paul Tetreault. There was one alternate position vacant. Betty Urban was our recording clerk. We approved a FY 2017-2018 budget of \$1,848. The BOF amended the amount to \$1,875.50, none of which was spent during the year.

The Zoning Board of Appeals schedules regular meetings on the 4th Wednesday of the month in the Chaplin Library conference room at 7:00 P.M. The meeting dates may be adjusted to the third Wednesday of November and December for the holidays.
