

Celebrate Chaplin 2022

TOWN OF CHAPLIN

1822 - 2022

Chaplin Bicentennial Celebration
September 10, 2022
Drone Photo

At 3:00 PM on September 10, 2022, Chaplin residents, former residents and friends will assemble on Garrison Field for a town wide photo. Participants are asked to gather within an outline of the Town which has been painted on the field. Specifically, we would like them to cluster around pole signs which mark the location of the seven 19th century historic school districts. Residents should go to the district where they currently reside or have resided in the past. The Visitors can choose any one of the seven (7) sites where they want to be photographed.

The nominal locations of the historic school districts are indicated on the attached map. To make it easier to determine which is your school district we attached a list of the Town roads with their associated school district. Once everybody has been assembled a drone will make several passes taking photos. Participants may elect to stand or sit (bring a lawn chair) in their cluster. A golf cart will be available to transport handicapped participants.

Town Street

Historic School District

Bates Road	Chuink
