Dear Chaplin Residents and Taxpayers,

Revised: June 12, 2023

The Board of Finance is pleased to recommend the following budget for the upcoming <u>Fiscal Year 2023-24</u>. We consider this budget to be financially sound and in the best interests of the Town's residents and all taxpayers.

#### Highlights of this proposed FY 2023-24 budget are as follows:

- We are recommending a mill rate increase of 1.0 mills to 35.50 mills.
- <u>The Board of Finance has proposed a total Town Budget of \$9,647,758</u>.
   This represents an approximate 1.55% increase from the current FY 2022-23 adjusted Expenditure budget.
- <u>Total Revenues are projected to be \$9,474,177</u> based on the Legislature's approved budget in June 2023.
   This represents an approximate 0.55% increase from the current FY 2022-23 adjusted Revenue budget.
- <u>A budget deficit of (\$173,581)</u> is projected which will be offset by using the Town's General Fund Unassigned Fund Balance.
- <u>The Town's Unassigned Fund Balance is projected to be \$1,218,937</u> at fiscal year-end (June 30, 2024).
  - **This represents 12.63% of Expenditures**, which is well within the recommended range of 10-14%, and which will likely be needed in the next 1 to 2 years to provide for continued infrastructure upgrades and replace essential aging equipment.
- <u>Future Mill rates cannot be predicted at this time due to the real estate revaluation for October 2023</u> which is already underway.
  - While the Grand List for real estate is likely to increase substantially with revaluation, it should be noted that the town's tax revenues from personal property are decreasing annually due to decreased assessments for depreciating equipment at the Algonquin Gas Transmission Company plant. When combined with the normal increase in operating expenses for the Town and Chaplin Elementary Board of Education budgets, as well as a major increase in Parish Hill costs (due to enrollment increases relative to other towns), the Board of Finance faces continuing challenges to minimize the Town's mill rate increases.

A Budget Executive Summary follows this letter and gives further details about this budget and the Town's overall financial picture. This entire budget document is published on the Town web site. In addition, printed copies will be available at the Town Hall, Library, and Senior Center. The budget document itself provides additional detail for the current year's <u>adjusted FY 2022-23 budget</u>, the <u>proposed FY 2023-24 budget</u>, and an <u>"estimated" FY 2024-25 budget</u>.

With approval of this budget for FY 2023-24, Chaplin will be in an excellent position to continue providing essential services, quality Education, enhanced Public Safety, and improved infrastructure to its citizens. In short, we can expect to continue enjoying the excellent quality of life that has drawn us to this fine community.

In closing, on behalf of the Board of Finance, I wish to thank the various Town agencies, the Board of Education and School Administration, and our elected/appointed officials for their cooperation throughout this budget process. Finally, I extend the Board's gratitude to our Town Hall staff for their many hours of gracious assistance in preparing this budget for presentation to you.

Sincerely for the Board of Finance, /s/ Richard G. Weingart, Chairperson E-mail: bofinance@chaplinct.org

#### **Executive Summary for Town Budgets in**

#### Current FY 2022-23, Proposed for FY 2023-24, and Estimated for FY 2024-25

The intent of this Executive Summary is to inform the public about Chaplin's proposed FY 2023-24 budget and also to highlight factors having the potential to affect this budget and the Town's overall financial position.

#### FY 2022-23 Budget Performance (Current Year):

#### <u>Revenues vs. Expenditures:</u>

- Current projections now indicate that the combined town and school budget will show a deficit of approximately (\$78,093) by June 30, 2023.
- This projection is based on current expenditure rates and does not account for any as-yet-unknown potential one-time additional expenditures.
- This compares to a projected deficit of (\$132,377) when the budget was formulated in April of last year following approval of the State budget for FY 2022-23.
- Continued strong tax collections and level State funding are largely responsible for the consistent budget performance.

#### • <u>Significant Capital Equipment purchases and Infrastructure upgrades during the current year:</u>

- Capital funds in the amount of \$365,000 were set aside for vehicle and equipment replacement, road and other infrastructure repairs, and tree removal.
- Capital funds in the amount of \$600,000 were also set aside toward the town's share of replacing the England Road bridge. While this bridge replacement will now be funded in total with federal infrastructure funds, the original town funding for the England Road bridge will be transferred to replacement of the Bedlam Road bridge.

#### <u>The Town's General Fund Unassigned Fund Balance:</u>

- <u>The Unassigned Fund Balance was \$1,522,058</u> at the beginning of this fiscal year 16.96% of Expenditures.
- The Board of Finance has Committed/Assigned the following Fund Balances:
  - Committed-Road and other infrastructure maintenance: \$150,000
  - Assigned-to balance the following fiscal year budget (FY 2023-24): (\$173,581)
- The Unassigned Fund Balance is projected to be \$1,368,937 at the end of the fiscal year 14.41 % of Expenditures.

#### FY 2023-24 (Board of Finance Proposed Budget to be approved for next Fiscal Year):

- Mill Rate:
  - The town now has two mill rates as of July 1, 2022. Legislation passed last year capped the mill rate on motor vehicles (MV) at 32.46 mills. That means there is now one mill rate for real estate and personal property, and the capped mill rate for motor vehicles. The Legislature's approved FY 2023-24 budget proposes to reimburse towns like Chaplin that are losing tax revenue under the capped MV mill rate.
  - o On May 22, 2023, the Board of Finance set the mill rate at 35.50 mills for FY 2023-24.

#### Revenues:

- <u>Total Revenues are projected to be \$9,474,177</u> based on the proposed State budget.
- Under the Legislature's budget approved in June 2023, Chaplin's State funding will remain essentially constant in both FY 2023-24 & FY 2024-25. With the Board of Finance proposal to increase the mill rate to 35.5 mills, total Town revenues are projected to increase by approximately \$51,728 or 0.55%.

#### Expenditures:

- <u>The total budget is \$9,647,758</u> with an overall budget increase of \$147,215 or 1.55%.
- The budget funds current Government Operations and Capital Projects with these changes from FY 2022-23:
  - Govt. Operations: A budget of \$2,230,792– an increase of approx. \$40,582 or 1.85%.
  - Capital Projects: A CIP Fund budget (from current tax revenue) of \$119,451– a decrease of \$172,755.
    - Funding is continued for significant road maintenance of \$260,848 plus an additional \$135,000 for vehicle and equipment replacement, road and infrastructure repair, and tree removal.
- The budget funds both the Chaplin Elementary School (CES) and the Parish Hill Middle/High School (RSD11) budgets with these changes for FY 2023-24:
  - Chaplin Elementary School (CES): Total proposed budget of \$3,984,941 for an increase of \$78,136 or 2.00%. The Board of Finance reduced the original budget request by \$65,536 in an effort to limit the overall budget and mill rate increase.
  - Parish Hill Middle/High School (RSD11): Total proposed budget of \$6,844,409 for an increase of 2.97%.
    - Chaplin's RSD11 assessment is expected to increase dramatically again from \$3,094,494 to \$3,297,652, an increase of \$203,158 or 6.57%. The increase was \$309,098 or 11.1% in the current (FY 22-23) fiscal year. These increases total over \$500,00 (approx. 2.00 mills) in just two years.
      - This increase in the Parish Hill assessment is largely due to an increase in the percentage of Chaplin students enrolled at PHMS/HS compared to the other two towns (37.45% in Oct. 2018, 40.08% in Oct. 2019, 43.22% in Oct. 2020, 46.75% in Oct. 2021, and 48.43% in Oct. 2022).
- <u>Overall, a budget deficit of (\$173,581) is projected</u>. This projected deficit will be offset by use of the Town's Unassigned Fund Balance.
- <u>The Town's General Fund Unassigned Fund Balance:</u>
  - The Unassigned Fund Balance is projected to decrease to \$1,218,937 12.63% of Expenditures at the end of the fiscal year. Please note that this projection cannot account for uncertainty in tax collections or funding from the State budget.

#### FY 2024-25 Budget (for Estimation purposes only):

Factors likely to affect the FY 2024-25 budget follow. While many of these factors are simply *best estimates* based upon stated assumptions, taken together they do provide a general picture of the budget fundamentals for the year. Assumptions about the Mill Rate, Revenues, and Expenditures are as follows:

Mill Rate:

#### • <u>Future Mill rates cannot be predicted at this time due to the real estate revaluation for October</u> 2023 which is already underway.

- Revenues:
  - <u>Because of revaluation it is not possible to accurately estimate tax revenues at this time, however the Board has assumed that the budget will be balanced for the year.</u> The Grand List for Real Estate is expected to increase substantially due to revaluation, while Personal Property is projected to continue decreasing by approximately (\$6,716,160) due to depreciation on the Algonquin and Eversource personal property accounts. Motor Vehicle values are projected to increase by 6.00%.
  - State revenues are assumed to remain as proposed in the Legislature's approved June 2023 budget. However, any reductions in the State budget for municipal aid will require a reassessment of our own budget priorities.

#### <u>Expenditures:</u>

- $\circ$   $\,$  Govt. Operation costs are estimated to increase by 2.5%.
- Capital Project funding is estimated to increase substantially in accordance with the Capital Improvement Plan (CIP) for FYs 2024-28.
- The combined education budgets for CES and PHMS/HS are assumed to increase by 2.5% due to continuing cost pressures. However, Chaplin's RSD11 assessment for FY 2024-25 cannot be accurately estimated at this time. If it continues to increase as much as the past four years (a total of approx. \$900,000) a commensurate tax increase will be needed.

#### <u>The Town's General Fund Unassigned Fund Balance:</u>

- Estimates of the town's Unassigned Fund Balance are not possible at this time due to the 2023 revaluation.
- However, the Board of Finance attempts to maintain a Fund Balance in the middle of the recommended range of 10 14% of Expenditures.
