3. **SEATING OF ALTERNATES:** None

4. **GUESTS:** Ms. Shari Smith, Chaplin Town Clerk re: Supplemental Budget Request for Digitalization of Town Ordinance.

a. **Consider and act on Town Clerk Supplemental Budget Request for FY 2025-26:**

Shari Smith working on project for all Town Ordinances to be codified. 1<sup>st</sup> part is codification with legislative and attorney review (would need to take to Town Meeting for proposed changes – process would take about a year with \$8,500 cost covered by grants). Looking for BOS and BOF support for hosting fee likely not to start until 2027 with annual cost of \$1,295.

- Link Diwan noted hosting nicely done by other towns (easy to browse), and asked about creating hyperlink Pdf to share on Town website without hosting (rely on professional companies for ordinances to be accurate and legal, super secure, formatting data – some doesn't transfer).
- Victor likes the project (could do same process for Zoning & Wetland ordinances in the future).
- Leslie Ricklin supports the project (anything to make services more available and secure).
- Victor likes the project (could do same process for Zoning & Wetland Ordinances in the future).
- Jeremiah Rufini clarified that search capability has more than just keyword.

Consensus of the Board is to support project with hosting fee when it becomes necessary.

a. *Tabled motion from previous meeting - Victor Boomer motioned that Town Administrators will assume responsibility for preparation and management of FY 2026-27 budget document, seconded by Jeremiah Rufini.*

Link Diwan asked Dick how he envisions the process (would need a lot of communication with Town Administrators and Finance office, consider significant role BOS plays in developing certain budgets needed in timely manner (PW, BOS, General Government), hit target dates to avoid last minute decisions before Public Hearing), and asked Administrators if they can plan and prepare documents for presentation (will take BOF guidance on what they wish to see, can gather cut list from departments where needed) – goal is to reduce number of meetings.

*Motion carried unanimously.*
