Amelia called Eastern Highland and received little information other than that the Commission needs a permit which can be done on-line., to check the State Regulations for Covid.-19, that vendors have to have a permit also to sell goods. The Commission must keep track of vendors and their permits.. Because of the timing, the commission decided to not pursue a Farmers Market this season. We would like to keep looking for information so that we can prepare for one next year. Cirma, our town insurance company, states we should get a COI from each vendor also.
